

An aerial photograph of Boston, Massachusetts, featuring the city skyline in the background with numerous skyscrapers. In the foreground, the Constitution Marina is filled with many sailboats and yachts. A large cable-stayed bridge is visible on the right side of the image. The text 'CONSTITUTION MARINA' is overlaid in white, and 'BOSTON, MASSACHUSETTS' is overlaid in blue below it.

CONSTITUTION MARINA

BOSTON, MASSACHUSETTS

The logo for Southern Marinas, featuring a stylized blue and yellow wave above the word 'SOUTHERN' in white, with 'MARINAS' in blue below it. There are several white stars scattered around the text.

SOUTHERN
MARINAS

Constitution Marina

Executive Summary

» Constitution Marina is a premier wet slip marina in the heart of Boston, Massachusetts. Representing the last, institutional-grade marina in Boston (as a single asset), this is a rare opportunity for exposure to an excellent location, strong boating market, and storage-dominant operation. Operating on a ground lease with the Massachusetts Port Authority (31 years remaining), Constitution Marina offers 273 wet slips for boats up to 150', eight bed & breakfast vessels, a covered pool, and essential liveaboard services.

» Property Overview

- 273 wet slips; 35' avg. seasonal LOA; rate increase of 6% for 2026 with virtually no pushback; upside with rate increases (~50% below direct competition), as tiering pricing for no tiered pricing for T-Heads, slips with upgraded docks, or catamarans.
- 8 B&B vessels starting at \$250/night; these boats occupy unleaseable side tie dockage on the inside of G dock.
- Two service bays under the bridge, with potential for two more (to be negotiated with City). Currently, the dock building operation is set up where all work is completed in-house by Tony.
- Ownership has not had to dredge since late '70s/early '80s; well-protected location with minimal fetch from the Northeast.
- **Upside:**
 - » Bring rates closer to direct competitors (Constitution is ~50% lower in areas) – seasonal slips, transients, parking passes, liveaboard fees.
 - » Implement premiums on T-Heads, catamaran slips, and locations with upgraded docks.
 - » Continue pushing transient business.
 - » Implement dynamic pricing for B&B Afloat.
 - » Introduce ship store with light food/drink items, marina swag and other liveaboard essentials (currently just ice and grills around the property).

SM Base Case Returns

Proposed Purchase Price: **\$22,000,000**

Base Case UW results in a leveraged **2030 25.0% Gross / 22.5% Net IRR and 2.4x Gross / 2.2x Net EM.**

- Base Case assumes a rate increase CAGR of **7.2% from 2025-2030**. Seller raised rates 6% for the 2026 season, with virtually no pushback.
 - Rate are under market relative to competition in Boston Harbor.
- From 2025-2030, Base Case assumes a **4.6% CAGR in operating expenses**, Insurance expense CAGR of 5.2%, and Property Tax CAGR of 4.0% (on lease).
- **2026F EBITDAM of \$1.60m / 7.3% cap rate**

Rent Roll Analysis

Current Rates & Seasonality:

- **The overall weighted average summer (2026) and winter (2025/2026) rates are \$249/ft. and \$67/ft., respectively.**
 - Summer is 95%+ occupied, while wet slips maintain a 50%+ occupancy in the winter (predominantly liveaboards).
 - Pricing does not factor in slip location within the marina or new construction of slips that have been upgraded.
 - Repeat customers benefit from a discount to the posted rate; new customer pay the posted rate.

Competitive Analysis:

- Of the limited competition in the Boston Harbor, we’ve noted **Constitution Marina is ~50% lower** on average compared to main competition for seasonal wet slips. This gives us ample runway for increasing rates as docks continue to be upgraded, as well as visit a new pricing structure to capture a premium for T-Heads, single slips, and top locations in the basin.

Storage Revenue Analysis

The Storage operation at Constitution Marina accounts for 80% of Gross Revenue. The marina's premier location on the harbor makes Constitution Marina a high-demand marina for transient boaters. All slip holders must notify the dockmaster or GM when they plan to leave their slip and when they plan to return (be it for a couple nights, a couple weeks, or longer). This way, management can temporarily fill that slip with a transient boater that is either visiting on their own or part of a larger group (rendezvous, yacht club tours, etc.).

B&B Afloat

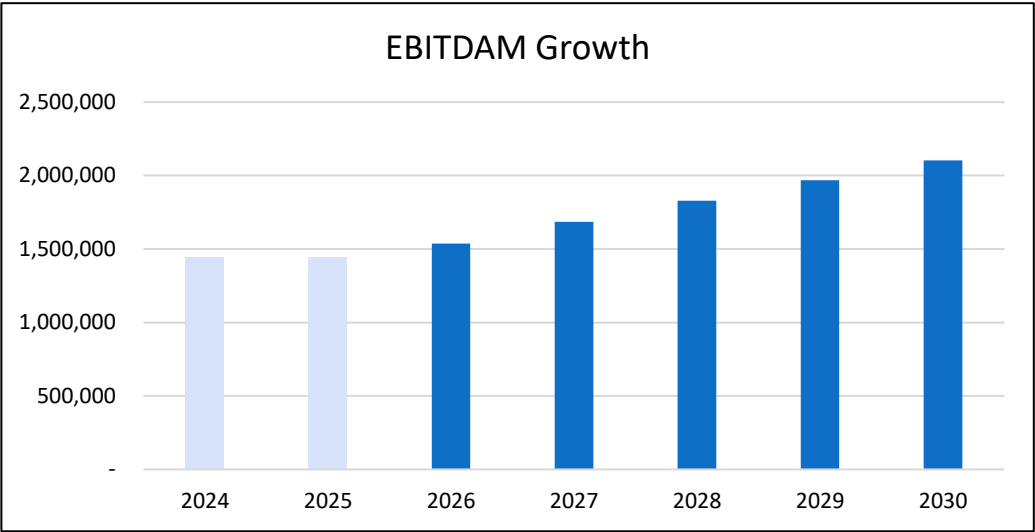

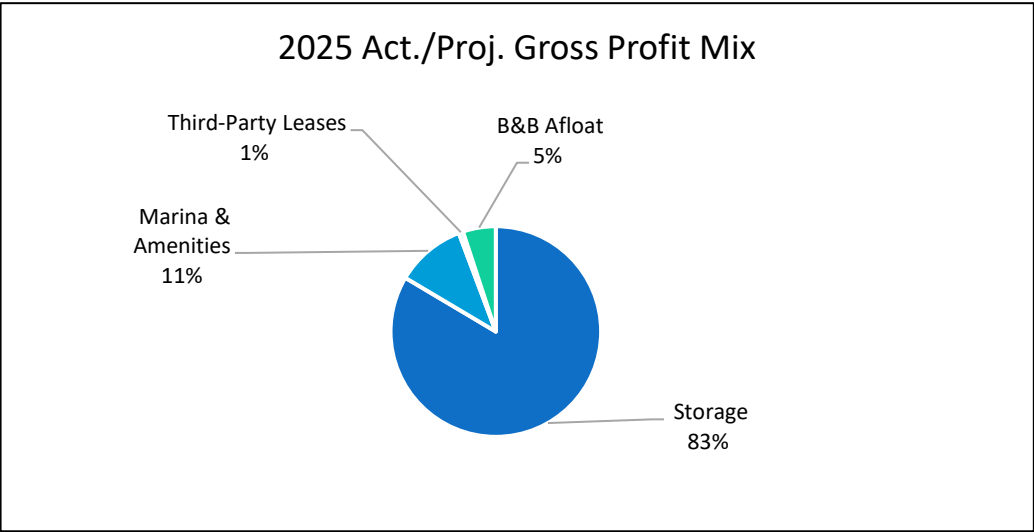

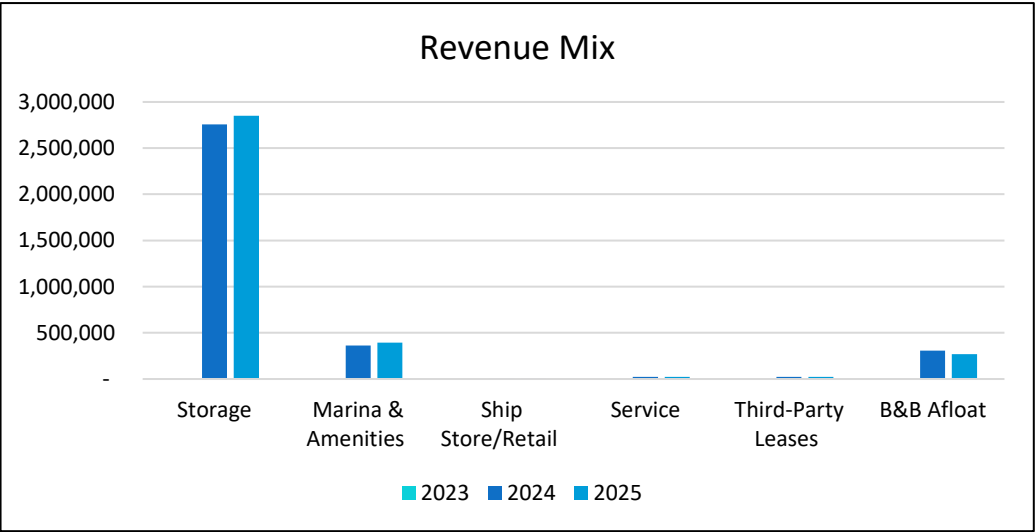

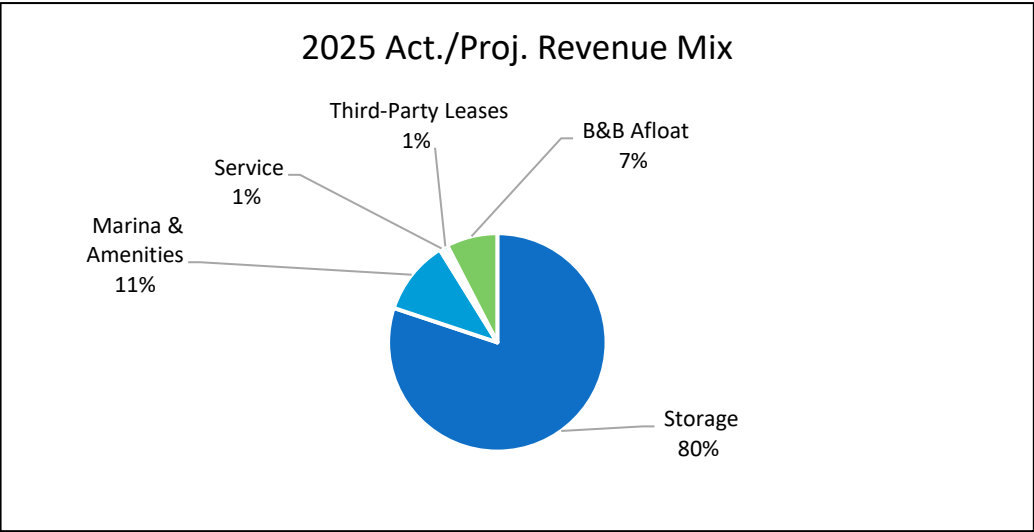

The Bed & Breakfast Afloat at Constitution Marina offers a unique lodging experience in Boston Harbor, where guests stay aboard docked boats rather than in traditional hotel rooms. These vessels, berthed along the marina on the inside of G Dock where the space is unrentable, are outfitted with comfortable staterooms, private bathrooms, WiFi, heating and air conditioning, and access to marina amenities such as the pool, showers, and laundry. Options range from cozy single-stateroom boats to larger two-stateroom yachts such as Inn The Moment, Blue Waters, and Harbor View, which can accommodate up to four guests and provide additional living space, decks, and views suitable for families or groups. Guests enjoy the ambiance of being directly on the water, with harbor views, gentle motion, and easy access to Boston’s North End, Freedom Trail, and waterfront attractions.

Each stay includes breakfast, typically via a local café voucher, and while cooking is not permitted onboard, Boston’s many dining options are just steps away. Rates start around \$250 per night for smaller boats and about \$330 or more for larger yachts, with special event pricing in effect during peak periods. The B&B is seasonal, so availability is limited to warmer months when marina staff is at peak levels.

Vessel/Room	# of Bed/Bath	Starting Rates	2025 FC Revenue

Adjustments:

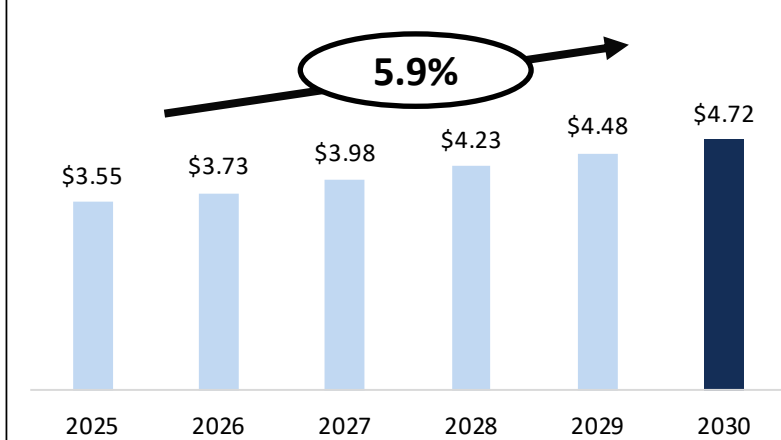

- Marina now owns B&Bs “Rozinante” and “Blue Waters” – no B&B fees on these in PF.
- Removed \$15k from marketing.
- Removed \$7,700 of owner/family phones.
- Removed owner portion of Employee Simple Match.
- Removed Owner Dental, Health, and Life Insurance.
- Removed Owner Payroll and Payroll Taxes.
